

THE LONE STAR READING LIST

The Texas Library Association (TLA) began the **Lone Star Reading List** in 1990 as a two-year pilot program to encourage reading for middle school students. This list represents a wide variety of reading subjects and tastes. The books are chosen by a committee of school & public librarians appointed by the TLA Young Adult Round Table.

Additional information is available at www.txla.org/html/reading.html

This project is made possible by a grant from the Institute of Museum and Library Services through the Texas State Library and Archives Commission.
